911 system adopted

Residents of Palm Beach County, including Belle Glade, South Bay and Pahokee, will no longer have to look up telephone numbers of fire and police departments in the heat of emergencies.

Beginning Tuesday, December 15, the entire county will be under an Enhanced 911 system, according to Bob White, Southern Bell Telephone Company's Local Manager.

Instead of wasting precious moments looking for numbers, residents can simply dial 911.

Pahokee to celebrate 60th

PAHOKEE - The Pahokee Chamber of Commerce announced Monday, Dec. 7, that the Freedom Festival, normally celebrated July 4, will be moved to March for 1982.

The festival will be tied in with the city's 60th anniversary celebration March 19-21.

The only festivities scheduled for July 4, 1982 will be the traditional fireworks.

The chamber is still searching for a name for the special celebration.

ONE PERSON died Friday morning in a blaze on the second floor of this building on Southwest 5th Street in Belle Glade.

Firemen are shown recovering fire hoses after putting out the fire.

Man dies in fire

By JEFF BROWN

BELLE GLADE - A Friday morning fire claimed the life of a Belle Glade resident, according to the Belle Glade fire and police departments.

Jesse Steplight, 66, of 216 SW Fifth Street, died of smoke inhalation when he was trapped in the bathroom of the rooming house when the blaze broke out, according to Detective Jack Fulenwider of the Belle Glade Police Department.

Others in the building escaped without injury.

The Belle Glade Fire Department responded to the 9:58 a.m. call with two pumpers and a rescue truck and had extinguished the fire within 20 minutes, according to Fire Department Captain Jesse Womack.

The State Fire Marshall is expected to arrive next Tuesday to conduct an investigation of the scene, according to Womack.

Unofficial estimates place the damages at approximately \$10,000.

According to Womack, the fire was confined to one room and broke through the ceiling to the attic.

2nd shop at home winner chosen

By ALMA HENRY

PAHOKEE-Miss Barbara Freeman of 2566 E. Main St., is the second lucky winner in the Pahokee Chamber of Commerce Shop At Home weekly contest.

Miss Freeman, employed by the Palm Beach County School Board as a cafeteria worker at Pahokee High School, was presented a check for \$50 by Mrs. Diane Hall, vice-president of the Pahokee Chamber of Commerce.

Mrs. Hall presented the check to Mrs. Freeman Tuesday at the First American Bank in Pahokee.

Miss Freeman when presented with the check, said it was the first time she had won money in a giveaway.

Miss Freeman joins last week's winner, Juanita Hanks, in celebrating the Second Annual Pahokee Shop At Home Contest. The third drawing for \$75 will be held Dec. 14 and the final drawing for \$100 will be held Dec. 21.

Local residents are encouraged by the Chamber of Commerce to register for the contest at one of the many participating businesses.

The annual contest is sponsored by the Chamber as an incentive for Pahokee residents to shop at home this Christmas instead of traveling to the coast to do their Christmas shopping.

Advertising staff appointment made

Publisher Garry Bumgardner this week announces the addition of advertising representative Camilla Morris to the staff of the Herald-Observer, serving the Belle Glade, Pahokee, South Bay, and Canal Point areas.

Mrs. Morris will be assisting advertising manager Kim Allen.

She is a veteran of 20 years newspaper experience and has held editorial and advertising positions on both daily and weekly newspapers. Prior to moving to the Glades, Mrs. Morris was advertising coordinator for all church advertising in the Fort Myers News-Press.

She was born in Lordsburg, N.M., and raised in Globe-Miami, Arizona. She attended Arizona State University at Tempe, and Yavapai College in Prescott, Ariz.

Mrs. Morris is the mother of two sons, Tim, 21, and Michael, 11.

Hunter wades to the rescue of 3 victims

By JIM JONES

Gene McMahan was returning from a day of hog hunting in the LaBelle area about 2 a.m. Sunday morning when he glimpsed something out of the corner of his eye.

He traveled on several more miles before deciding to turn back to investigate what he had seen near Goodno - about six miles east of LaBelle - just off State Road 80.

By turning back, he discovered three Mexican men who had been injured when their car left the highway at high speed, jumped a canal, and turned over three to four times, shearing off saplings for about 60 feet.

Their 1973 Ford was destroyed in the accident.

McMahan, 40, a resident of 1133 Wedgworth Road, Belle Glade, had been attracted by a reflector strip on the wrecked vehicle, which

had rolled so far off SR 80 as to be almost invisible from the roadway.

"One fellow was in the canal in water about chest deep. He was disoriented and in shock and wading down the middle of the canal. I got him out and laid him down on the side of the road. He had a broken hand. I could hear the other people in the car," McMahan said.

Although the temperature was in the low 40s, McMahan jumped into the water to take a rain coat and some dry clothing to the men in the car.

"I'm used to being out in the woods like that hunting, so it doesn't bother me," said McMahan.

He helped a second victim across the canal, but decided not to move the third man who had a badly broken leg.

"He was in the back seat and I was afraid to

move him. I left one of the hand lanterns with him," McMahan said.

McMahan then tried to flag down passing vehicles to go after help, but none would stop. "Seven or eight vehicles went by. I couldn't believe it," he said.

McMahan built a fire to warm the two victims on the road shoulder, left a lantern with them, and went to Ortona. He knocked on the doors of three houses, but couldn't rouse anyone.

He returned to the accident site and a few minutes later, three semi-professional Fort Pierce football players, George Lismore, Jr., Robert James Wilson, and Ron Davis, returning from a game in Ft. Myers stopped.

They left a blanket with McMahan and returned to LaBelle for help. Law enforcement

Gene McMahan helped rescue three accident victims early Sunday morning.

Some of Belle Glade's loveliest ladies (and a few gentlemen as well) modeled smart fashions from local clothing shops and helped raise a bundle for the American Cancer Society. Story on Vista page in this week's Herald-Observer.

officers were unable to immediately locate the wreck because the directions given by the three men were poor.

When help arrived, it arrived in force, including three ambulances, the Clewiston Volunteer Fire Department, Deputies Morris Langston of LaBelle and Carol Hood of Clewiston, and Trooper Tim Seymour.

Although the Jaws of Life that the Clewiston Volunteer Fire Department had been called out for was not needed, the department's flood lights helped illuminate the scene and the fire ladder was used to help carry the third victim across the canal.

Among those helping with the rescue were Bobby Moore, Jimmy McDuffie, Morris Ridgill, Terry Johnson, Mack Harris, Curtis Pelham, and Fire Chief Ernie Miller.

"Carol Hood gave me her jacket. I was about to freeze to death. I appreciated that," said

MaMahan, who stopped in Clewiston for a big cup of coffee about 4 a.m.

The three Mexican men, Alvarez Santiago, 35, of Ellex, N. C., Rafael Rodriguez, 22, of Clewiston, and Jesus Sandoval, 21, of Bond Street, Clewiston, were taken to Hendry General Hospital for treatment.

The driver, Sandoval, was charged with driving under the influence. Santiago was still hospitalized Tuesday with internal injuries. Rodriguez was sent to a bone specialist in Belle Glade.

Asked why he stopped when others went past the accident scene, MaMahan said, "I just felt like it was my responsibility. I was worried about them making it. I couldn't pass anyone by."

Sunday's rescue was not MaMahan's first. He once pulled a pilot out of burning crop duster aircraft in Zellwood.

He has lived in Belle Glade since 1962 and is employed by S. M. Jones and Co. in Canal Point.

He and Mrs. MaMahan are the parents of three children.

City grievance heard

By JEFF BROWN

BELLE GLADE—A former city employee, claiming he only wants to have his record cleared, was given a hearing before the Belle Glade Civil Service Board Thursday, Dec. 3.

The board is expected to render a decision possibly by Dec. 17 in the case of J.T. McCoy, who was dismissed from his city job as supervisor of Lake Shore Park in August because he allegedly allowed a non-permitted concession to be operated at the park.

Don Mason of Florida Rural Legal Services represented McCoy. John Baker represented the city.

Mason told the board his client was appealing the termination because:

% The city policy on concessions was never communicated to McCoy.

% The firing was actually a result of McCoy's protests on alleged discrimination.

Baker objected to the second reason on the grounds that it brought a political issue into the hearing.

The sole issue was whether he was insubordinate," said Baker.

A policy adopted March 23, 1981, by the city commission prohibited the operating of concession stands at city parks unless a permit had been issued by the commission.

Recreation Director Johnny Rutledge said he had informed his staff of the policy change at a meeting one month later.

McCoy, however, said he was never informed of the policy change until after he violated it by permitting the Glades Youth Athletic Association to operate a concession without proper authorization.

The concession had operated at Lakeshore Park July 11, 11 and 12.

McCoy was fired August 19 because he had violated the policy.

Rutledge testified that at the April 23 meeting with his staff, he discussed all city policies pertaining to use of parks, ball park lighting fees and racial discrimination, including the concession policy.

McCoy said the policy on concessions was not discussed and that most of the meeting concerned his protests that "little league baseball and softball teams which were not permitting blacks to participate were using Airport Park."

Rutledge said not much time was spent on the racial discrimination issue because "I knew the department had no problem."

McCoy said he had earlier discussed the racial issue with City Manager Rolfe Wagner.

Wagner said he first became aware of the racial problem in March or April, soon after he took

over as city manager.

"I did have an awareness," he said. "At what point in time I became aware I couldn't say."

Wagner issued a memorandum April 13 concerning racial discrimination. It was supposedly this memo which was discussed at the April 23 Recreation Department staff meeting.

McCoy said he believes the racial dispute was the actual cause of his dismissal four months later.

"No doubt in my mind," he said.

He said he was first informed of the concession policy by Rutledge July 13, the day after the unauthorized concession closed.

When the same organization expressed a desire to operate a concession at an August tournament, he informed them they must acquire the appropriate permit from the city commission, he told the board.

He said he would not have permitted the concession to operate if Rutledge had told him not to.

"You never refuse to carry out an order," he said. "You carry them out then express your displeasure."

According to McCoy, city policy was not discussed at the April 23 meeting, the only department meeting he said he could remember in three years. He said Rutledge had told him the meeting would be about the "racism memo" from Wagner.

Rutledge and Recreation Coordinator Michael Underwood said the policy was discussed at the meeting.

After he discovered the unauthorized concession at the park, Rutledge said he informed the city manager but made no recommendation.

"When I found it, I reported it," said Rutledge, adding that McCoy had told him "I don't go along with what people tell me. I don't go along with it, I just don't go along with it."

Wagner responded to Rutledge's memo with a memo of his own stipulating that McCoy be fired.

McCoy, currently employed by the Palm Beach County State Attorney's Office, said he was informed by city personnel director Rhoni Cox that he had no appeal in the decision since he was fired by the city manager.

Cox told the board that she informed McCoy's grievance procedure existed.

Wagner said he informed McCoy of the reasons for his dismissal in an informal hearing, and told him he would reconsider it if McCoy had some new facts in the matter.

McCoy had nothing new to change his mind, according to Wagner.

The board decided to defer its decision until its legal advisor had determined whether it must make its decision in public.

Community Relations Board to meet

The Palm Beach County Community Relations Board will meet on Dec. 17, at the

Glades Central High Community School Library, 425 West Canal Street, Belle Glade.

The meeting will begin at 7:30 p.m. and will adjourn at 9 p.m. The board is interested in learning from the public of any matter

causing racial, religious, and ethnic tensions in the community.

Individuals desiring to be put on the agenda or request more information should contact

Community Relations Board Chairman Rabbi Alan Sherman at 832-2120 or Tom White, director of human resources, at 837-2228.

Garbage collection, insurance considered

By JEFF BROWN
PAHOKEE — The Pahokee Housing Authority is considering alternative means of garbage collection and contracting a new medical insurance plan due to increased rates for the existing services.

The cost of medical insurance for authority employees has been increased by 80 per cent, according to Randall J. Mills, the authority's executive director.

Employees pay half the cost and the authority pays the other half, he said.

The authority learned that Crown Life Insurance was increasing the group policy premiums two days before a bill reflecting the new rates was received, according to Mills. The company must give 30 days notice before a rate increase, so he recommended the authority's board of commissioners authorize payment at the original rate.

The board approved his recommendation.

According to Mills, the company is attempting to eliminate group plans with 15 or less members by raising the rates. The authority's plan encompasses 14 members.

New medical insurance plans will be presented to the board at the next meeting, Mills said.

The authority could expand its plan to cover employees, but many of them are covered on plans at a spouse's place of work, said Mills.

The South Florida Sanitation garbage disposal company had raised its rates from \$4.50 per month per unit to \$7 per month effective Nov. 1. This resulted in a \$2,800 garbage collection bill for the authority, up from \$1,800.

The increased rates resulted from the necessity of using the Glades Transfer Station at \$21.70 per ton. Garbage used to be hauled to Lantana at \$15 per ton, according to Mills.

Lawn mower bids considered in Pahokee

PAHOKEE — The Pahokee City Council Tuesday, Dec. 8, reviewed quotations for lawn mowers and decided to purchase two mowers from a local dealer if the units meet specifications.

Pahokee Sales Company quoted a price of \$1,560 for one lawn mower and \$3,000 for two, but the council was unsure whether the mowers would meet specifications, including a one year warranty.

Two other bids were received from Watson Equipment Company. It quoted a price of \$1,500 for one Ariens model, and \$1,280 for a Snapper model.

Those two did not meet specifications, according to the council. The council voted 4-1 to purchase two mowers from Pahokee Sales if they meet the specifications.

In other business, the Council:

- Learned of a change in the replacement housing units planned by the county department of Community Development.

One of the original 15 lots planned for duplexes will be eliminated, and Fourth Street extended, according to Building Inspector Phelix Sloaner.

Decoration contest set in Pahokee

PAHOKEE — The Pahokee Chamber of Commerce met at noon in its chambers in Pahokee to discuss the Shop-At-Home and Holiday Decoration contest, according to Doris Wetherington.

First place winners will receive two free tickets to the chamber's annual banquet.

There will be winners in the business and

residence categories, with honorable mentions also gaining recognition, according to Wetherington.

The banquet is usually held in May. Diane Hall is in charge of the judging, and, although all homes and businesses will be judged, those desiring to enter are urged to call the chamber.

They must also comply with the subdivision section of the city charter.

Learned from Director of Public Works Donnie Martin that the city incinerator is now permitted. According to Martin, the only problem facing the city is lack of dumping space. The lack of space prevents the city from keeping enough garbage available to keep the incinerator burning without fuel.

Also learned from Martin that a crusher unit for the back of a garbage truck would cost \$36,000.

Donated \$100 to the Pahokee High School baseball program for uniforms. Coach Gary McEntire said uniforms will cost about \$700. He said he told the team that he will raise half, but they must raise the other half of the cost. He said he feels this will give them a greater respect for the uniforms.

Learned from James Sloane, a representative of the Daytona Beach engineering firm Russell and Axon, that

Since the authority was given notice of the increase Nov. 11, the board voted to pay the company at the old rate for November, claiming "reasonable notice" was not given.

No notice time is stipulated in the contract between the company and authority, according to Mills.

The authority is examining the possibility of purchasing a garbage truck, gathering its own waste and leasing the truck to the city of Pahokee in exchange for use of the incinerator to dispose authority waste.

The authority would probably operate its truck about 10 hours a week, according to Mills and Authority Chairman Mead Maxwell. In other business, the authority board of commissioners Tuesday, Dec. 8:

- Learned that a lawsuit filed by the parent of a child allegedly injured at an authority operated playground will be heard May 10.

- Learned that the city's new water rates will increase the authority's water and sewage rates by approximately \$25,000 to \$30,000 per year. The new rates were reflected the November bill totaling \$19,000. The new rates will not affect the tenants until next month, according to Mills.

- Were informed by Gloria Newkirk that a Concerned Tenants Committee was formed to bridge the communication gap between the office and the tenants. The committee has five members.

- Maxwell informed her that the authority is willing to hear any complaints from any individuals or groups, but must recognize only one bargaining unit for the tenants — the Tenants' Association.

- Newkirk said the members of the Concerned Tenants Committee feel the association does not amply represent them.

A PUBLIC SAFETY ANSWER POINT UNIT is inspected by Belle Glade Police Chief Bill Mathis, Mayor Thomas Altman and Southern Bell Manager Bob White. The new 911 system goes into effect Tuesday.

ing up telephone numbers in an emergency, all residents must do is dial 9-1-1 on any county telephone and their call will automatically be routed to the appropriate local agency.

Although the 911 system has been used in some parts of the United States for several years, the system installed in Palm Beach County has features that make it superior to traditional systems, according to White.

Calls will be received at 21 Public Safety Answer Points (PSAPs) throughout the county.

"Many PSAPs have equipment that set our enhanced system apart from traditional 911," said White. "For example, if due to panic or injury the caller is unable to give his location, this information, as well as the caller's telephone number will appear automatically on a screen at many receiving PSAPs."

Not all PSAPs have that equipment, according to White, so callers should remain on the line in case more information is re-

quired. Calls originating from Belle Glade, Pahokee or South Bay will be automatically routed to the respective police department. Emergency calls originating from unincorporated areas in the western part of the county will be routed to the Palm Beach County Sheriff's Office in Belle Glade.

Most of the county's PSAPs are located at police stations since 70 to 80 per cent of all emergency calls are for police assistance, according to White. If the call is for ambulance or fire services, the correct agency can be connected in seconds, he said.

The 911 code can be dialed from any phone in the county and without charge from pay phones, according to White.

HOTLINE PROVIDES SERVICE FOR THOSE WITH THE HOLIDAY BLUES

Crisis Line Information and Referral Services Inc. will be in full operation during the holiday season, providing service 24 hours a day, seven days a week, according to Henry Frydan, a CLIRS public relations volunteer.
CLIRS aids callers who are in need of counseling services.

According to Frydan, the holiday season is also the worst season for those who suffer from loneliness or depression. CLIRS, which was involved in more than 150,000 calls last year, attempts to "provide a listening ear to people with all kinds of problems," according to Frydan.
"We do not divulge any predicament revealed to us, since we do not want any caller to feel that we are publicizing his or her dilemma," said Frydan.
The local crisis line number is 996-1121. The Tel-Med number is 996-1128.

No news is...

It was one of those weeks when it seemed there was almost no good news, but there were a few silver linings.

Accidents and misfortune seemed to be the order of the day.

There was the case of the car which jumped a canal early Sunday morning and almost disappeared in the undergrowth off SR 80 between Clewiston and LaBelle. Were it not for the sharp eyes of a hunter from Belle Glade, the three occupants of the car might have been stranded a lot longer and in a lot worse condition than they are today.

The flip side is that seven to eight motorists kept going, despite efforts to flag them down for help. It's a sign of the times, however, and perhaps the motorists cannot be blamed.

Especially when hitch hikers thumb rides and then club the driver in the head who stops for them.

All of that cannot obscure Gene McMahan's willingness to stop, however, jump into the cold water, and help three unknown, fellow human beings.

There were other assorted incidents during the week which came across my desk, including a fire, various traffic arrests, and an attempted sexual battery on a child.

Some of this makes you wonder where the human race is headed and then you consider the fact that there is a madman in Libya who chortled over the assassination over Anwar Sadat and has allegedly sent hit squads after Ronald Reagan. He has denied that he is after Reagan, but I think if anyone is lying, it has to be Khaddafi.

The silver lining in the Khaddafi affair is that he is way over there and we are over here. He can keep his oil.

Nuts to the quitters

By Robert B. Delano, President American Farm Bureau Federation
Washington spenders of both political parties are trying to use the current recession to derail the economic recovery program.

They point to high interest rates, depressed industries and rising unemployment as sufficient reason to surrender in the fight against federally-induced inflation.

Surrender?

The best reply I can think of is "nuts!" — the one-word answer used by General Anthony McAuliffe to the Germans when they demanded surrender of the 101st Airborne Division at the Battle of the Bulge.

We have our own battle of the federal spending and taxing "bulge" underway and this is no time to quit.

So far, there have been only modest cuts in federal spending, modest efforts at stimulating production through tax cuts, and only modest lifting of the regulatory burden.

We must not let the budget deficit, no matter its final size this year, be used as an excuse for greatly expanded taxes. While a balanced budget is desirable, it is more important to chop the deficit-building problem off in Washington where it originates — not send new tax

money there to encourage further growth in spending.

Since Oct. 22, we have an official trillion dollar national debt. The interest payment alone on it this year will be \$144 billion. That is more money than the entire federal budget in 1963.

The projected federal budget deficit, even with cuts in scheduled spending increases, is expected to top \$60 billion for 1981, with talk of \$100 billion for 1982.

Figures this size tend to become meaningless until they arrive in the form of the new tax bills. As a working member of society, your personal tax share of the interest payment on the national debt alone this year is one thousand dollars.

If your family income has doubled this past 10 years, as seems likely, you will have made virtually no gain in purchasing power, and may have reduced your personal standard of living.

Inflation, the direct result of deficit federal spending and creation of new money to pay for it, has caused today's median family income of \$21,000 to be worth only \$9,970 in 1970 dollars.

Adjusted for inflation which increased all costs again this year, 1981 farm and ranch income will be the lowest in terms of purchasing power of any time in the past 20 years. Genuine inflation control

will do more to improve farm income and rural living standards than anything else.

Although it has barely begun, bipartisan efforts to turn around 30 years of federal mismanagement are definitely working.

The Federal Reserve Board is permitting only moderate expansion of the national money supply at this time, balancing money growth rather well against growth in national productivity.

While inflation remains high, it is drifting down, with the direction more important than the degree right now.

Much more needs to be done, especially to control and pare increases in "entitlement" payments now received by about 70 million American people. These payments are needed to fully reflect cost-of-living increases caused by inflation, and now consume more than half of the total federal budget.

I say "nuts" to those who would surrender in the war on inflation — who grow weary in the first few months of renewed effort.

The battle for a long-term, stable, sound economy is well underway.

The noise of the frustrated spenders tells me we are winning.

Alpha Phi Omega honors five outstanding men

BELLE GLADE - Several outstanding men and high school students were honored Sunday by the Alpha Phi Omega and the Belle Glade Alumni Chapter of Alpha Phi Omega.

A national service fraternity, Alpha Phi Omega, honored Harvey Poole, Sr., Willie McDonald, Floyd Henry, Jr., and Edwin Coffie at its Second Annual Founder's Day Program held at the Mt. Calvary Baptist Church.

Milton Crittendon presided over the services and the Rev. Tommy G. Bess was the keynote speaker.

Rev. Bess is pastor of the Mt. Zion Missionary Baptist Church and is the assistant Principal of Indiantown Middle School. He also is a member of the Alpha Phi Omega Fraternity.

Rev. Bess delivered his message from the fraternity's national theme, "Meeting The Challenges of Leadership, Friendship, Service: Yesterday, Today and Tomorrow."

The Pahokee High School Chorus under the direction of Kevin E. Boynton, sang on the program.

Each year the fraternity presents its Outstanding Community Service awards to men of the Glades.

This year's recipient Harvey Poole is the former manager of the Okeechobee Center Housing Project, administered by the Belle Glade Housing Authority.

Poole recently retired as manager of the project. He was employed by the Authority for 34 years. A member of the Mt. Zion A.M.E. Church, Poole is one of the Glades foremost radio personalities. He is host of the popular radio program the Spiritual Hour, aired weekly by radio station WSWN.

He is known to his radio audience at the Ebony Voice. Poole began his employment with WSWN in 1947 and is one of the station's original

employees. Willie McDonald, Dean of Boys at Glades

EARN A GREAT RATE!

150%*

Reserve Florida National's New Individual Retirement Account and Start Earning High Interest Now!

The new Individual Retirement Account is a great deal. Tax savings now. A secure retirement later. In fact, depending on your age, annual contribution and when you retire, your IRA could be worth \$1 million or even more!

We're making a great deal even better. If you open a pre-IRA plan during December, we will pay you at an annual rate of 15%* for up to 30 days (minimum investment \$500). Then, in January, we will offer a better-than-money-fund return of 15% (annual rate) through June 30th on your IRA - a guaranteed high yield in a declining rate market.

Every wage earner is eligible. Whether you're covered by an employee pension

plan or not, you can put up to the maximum \$2,000 in an IRA (\$2,250 if your spouse is not employed or \$4,000 joint deduction if both are employed). These same limits apply to our pre-IRA plan.

With our IRA, you have the added flexibility of earning either of two high yield interest rates after June 30th. Select a longer term fixed rate or a shorter term floating rate. Each of these rates is tied to U.S. Treasury Obligations. With our custom tailored IRA, you decide which return is best - the choice is yours!

Whether you want an IRA for the tax savings or the retirement security, or both, we provide a 15%* rate, a choice of floating or fixed rate thereafter, plus the strength of a great statewide bank.

Great State. Great People. Great Bank.

The Palm Beach County Commission took another step in the board's road construction program in the Glades when they voted to furnish the State Road Department with a deed to right-of-way for State Road 717. City Clerk Clyde Alley gave a talk on city finances at a luncheon meeting of the Pahokee Lions Club. He was introduced by Mayor Lewis Friend.

The Pan-American Club was to celebrate Christmas with a Christmas Fiesta in the Woman's Club building.

Ritual of jewels degrees were conferred on Mrs. John Sutterfield and Mrs. Clyde Griffiths by the Beta Sigma Phi Sorority at a dinner meeting in the Woman's Club building.

Mrs. H.J. Anderson, Mrs. L.W. Armstrong and Mrs. Ralph W. Todd entertained at Mrs. Anderson's home with a party and stork shower in compliment of Mrs. Milton Carpenter.

40 YEARS AGO
THE EVERGLADES NEWS
DECEMBER 12, 1941

With the United States at war against Japan, Germany and Italy, the sale of United States Defense Savings Bonds and Stamps received impetus in the Glades area. Postmaster Edward A. Jensen of Pahokee announced bonds and stamps with a maturity value of over \$12,000 had been sold since the federal securities were first issued the previous spring.

Pahokee Post Office had sold \$13,000 worth since the sales started.

At a special meeting of the Florida Defence Council, a goal of \$1,000 was set to be raised to finance purchase of needed equipment and to defray expenses of the organization activities.

The Glades assumed new importance as the nation considered the food supply during the war.

The Secretary of Agriculture Wickard some time ago said that "Food will win the war and write the peace," assumed new importance then when the United States was actively warring all Axis nations.

Residents of Pahokee had to look at a clock to see when it was noontime. Pahokee's big siren no longer blew at noon to indicate the time. Use of the siren had been stopped at the request of the Pahokee Canal Point Defence Council.

The siren was to be used only in case of a fire or air raid alarm. The signals would indicate when there was possibility of an air raid.

The Florida Power and Light Company made an addition to generating capacity at its plant south of Pahokee near Pelican Lake station. A 300 horsepower unit, Diesel engine and generator, was to provide 200 additional kilowatts and increase the capacity from the 360 k.w. at Pahokee and the 60 k.w. at Belle Glade to a total of 620.

Papaya from Kramer Island were being sold in West Palm Beach and tourists on the east coast were to have an opportunity to

learn the merits of the fruit that grows so well on the muck soils of the Lake Okechobee region.

Barrett's Toggery Shop had made provision to assist East Beach people in the selection of Christmas gifts.

Mrs. and Mrs. R.G. Fisher attended the picture Show in Pahokee on Friday Evening. C.L. Mote of West Palm Beach was the special officer on duty here in Belle Glade assisting with the problems of increased population and business.

Pahokee police arrest man for theft of TV

PAHOKEE — A Pahokee man was arrested and charged in the December 4 theft of a television, according to the Pahokee Police Department.

Willie James Steele, 28, of 435 Cypress Ave. was arrested Dec. 5 and charged with burglary in the theft of a portable black and white television.

Robert Wright of 425 S. Lake Ave. reported that his house was broken into and the television taken Friday, Dec. 4.

The next day the police were informed that the television was located at 437 Cypress Ave.

The set was located at that address and the proprietor told police that it was pawned by Steele.

Steele was questioned and charged with burglary. The set was estimated to be worth \$129.95.

The Pahokee Police are also investigating an early morning burglary at the Eagle Family Discount Store in Pahokee.

According to Police, the store was broken into between 12:30 and 1 a.m. Dec. 7. A rock was thrown through the front window to gain entry.

A complete list of missing items has not been obtained, but the company estimates that more than 100 watches, a red 20 inch bicycle and clothing items were stolen.

The police are looking for up to three individuals in the incident.

K-9 Jago makes catch Monday

Just three days after returning from a canine course Friday, Palm Beach County Deputy Thomas Lee Brooks and his K-9, Jago, scored their first "catch" Monday.

According to Brooks, Belle Glade Police Officer Frank Mayor observed a motorcyclist riding at a high rate of speed and gave chase down Northwest Avenue L.

Speeds during the chase reached 100 miles per hour and ended when the motorcyclist dismounted and fled on foot at Jim Hook's welding shop on SR 715.

Brooks and Jago were called in and conducted an area search. The suspect was found under a semi tractor surrounded by large sheets of metal and equipment.

James Milford Hardy, 25, of 1306 N. W. 16th St. No. 13, Belle Glade, was charged with fleeing and attempting to elude a police officer and driving while license suspended.

He was booked into Palm Beach County Jail in Belle Glade under \$1,000 bail bond. His charges are a third-degree felony, said Brooks.

HHR seeks to open Glades office

BELLE GLADE—The Hispanic Human Resources (HHR), a non-profit county service for the Hispanic community and other needy individuals in Palm Beach County is looking to open an office in the Belle Glade area.

Executive Director Luciland Martinez of West Palm Beach said

"We are trying to coordinate with local service providers in this area and possibly set up offices in one of their existing facilities."

"We are looking to extend our services in the Belle Glade area since we feel that there is limited access to existing services for the Cuban and Haitian population, because of the language and culture barriers," he said.

According to their brochure, the HHR was formed in 1977 when advocates and leaders in Palm Beach County joined together to meet the social needs of the community.

Services the organization provides, according to Martinez, include transportation, outreach, blood pressure service and community education and orientation in health services.

The agency is currently funded through a variety of resources including the Palm Beach County Board of Commissioners, Employment and Training Administration title III-B, Senior Citizen monies, State of Florida Community Service Trust funds, Action-Vista funds and local donations and or contributions.

"We were recently awarded a grant from the Department of Health and

Rehabilitative Services, State of Florida to provide services for the Cuban and Haitian population of Palm Beach County," Martinez said.

In Belle Glade, if the service is implemented, Martinez said social workers will be available who speak Spanish and Creole and will be serving as interpreters for the clients and HHR will provide transportation to the area providers.

The local contact for HHR is Celso Brillas, a member of the Board of Directors and a teacher at Gladeview Elementary.

Martinez said they are currently recruiting for workers who are bilingual and can work with the Haitian community. He said the job can be applied for by contacting the HHR in West Palm Beach at 659-0964.

Central Community School and track coach was also honored by the Alpha Phi Omega Fraternity. A Glades native, McDonald graduated from Lake Shore High School and Bethune Cookman College of Daytona Beach.

Termed a "father figure" by most of the students he helps daily at Glades Central, McDonald has secured more than 35 scholarships for male athletes attending Glades Central.

McDonald also is a former football coach at Glades Central and his son, Raymond, a senior at Glades Central, was a member of the Raider's football team.

In saluting outstanding young men in the community, the fraternity selected high school seniors, Edwin Coffie at Glades Central and Floyd Henry at Pahokee High School.

Coffie a Student Council Officer, also is a

member of the Glades Central Chorus and can be found demonstrating his musical talents on many local church programs.

Henry, the team captain of the Pahokee High School basketball team, also is a member of the chorus. He sings with the PHS Chorus, directed by Kevin Boynton.

Many Greek, social and community organizations were present at the program.

Members of Alpha Phi Omega are James Allen, Jr., Frederick Bass, Willey Joe Battle, Renard Bonnett, Kevin Boynton, Cleveland Byrd, George Clark Crittenden, Milton Crittenden, Ollie Davis, Jr., James Eccles, Gary Fletcher, Willie Lewis Floyd, George Hannah, John Henry Holman, Anthony Jones, David Martin, Ronald McMillan, Henry Miller, John Morris, Willie Pyfrom, Antoine Russell, Johnny Rutledge, Willard Taylor, Jr., and James West.

In the holiday spirit of love and giving, more than 300 well-wishers attended the American Cancer Society Fashion Luncheon held at the Belle Glade Elks Club Saturday.

The large attendance helped the Glades Area Cancer Crusade Committee reach its pledged financial goal.

Mrs. Matleash Nachman, luncheon chairman, said although figures are not in for the amount of money raised by the luncheon, two anonymous \$1,000 donations were received.

The fashion show featured what to wear to Christmas parties, what to wear to church services, how to be the sharpest dressed golfer at the Belle Glade Country Club, and how to dress snugly for Santa.

The show, emceed by Laura Hayes, featured local models Luke Weeks, John Wright, Vickie Wright, Sharon Wedgeworth, Dolly Hand, Bar-

HHR seeks to open Glades office

BELLE GLADE—The Hispanic Human Resources (HHR), a non-profit county service for the Hispanic community and other needy individuals in Palm Beach County is looking to open an office in the Belle Glade area.

Executive Director Luciland Martinez of West Palm Beach said

"We are trying to coordinate with local service providers in this area and possibly set up offices in one of their existing facilities. We are looking to extend our services in the Belle Glade area since we feel that there is limited access to existing services for the Cuban and Haitian population, because of the language and culture barriers," he said.

According to their brochure, the HHR was formed in 1977 when advocates and leaders in Palm Beach County joined together to meet the social needs of the community.

Services the organization provides, according to Martinez, include transportation, outreach, blood pressure service and community education and orientation in health services.

The agency is currently funded through a variety of resources including the Palm Beach County Board of Commissioners, Employment and Training Administration title III-B, Senior Citizen monies, State of Florida Community Service Trust funds, Action-Vista funds and local donations and contributions.

"We were recently awarded a grant from the Department of Health and

Rehabilitative Services, State of Florida to provide services for the Cuban and Haitian population of Palm Beach County," Martinez said.

In Belle Glade, if the service is implemented, Martinez said social workers will be available who speak Spanish and Creole and will be serving as interpreters for the clients and HHR will provide transportation to the area providers.

The local contact for HHR is Celso Brillas, a member of the Board of Directors and a teacher at Gladeview Elementary.

Martinez said they are currently recruiting for workers who are bilingual and can work with the Haitian community. He said the job can be applied for by contacting the HHR in West Palm Beach at 659-0964.

Title I meeting Dec. 16th

The third Title I Parent Advisory Council meeting will meet on December 16 at 7 p.m. in the cafeteria of Lake Shore Elementary School. The program will feature a covered dish buffet and Christmas social.

Central Community School and track coach was also honored by the Alpha Phi Omega Fraternity. A Glades native, McDonald graduated from Lake Shore High School and Bethune Cookman College of Daytona Beach.

Termed a "father figure" by most of the students he helps daily at Glades Central, McDonald has secured more than 35 scholarships for male athletes attending Glades Central.

McDonald also is a former football coach at Glades Central and his son, Raymond, a senior at Glades Central, was a member of the Raider's football team.

In saluting outstanding young men in the community, the fraternity selected high school seniors, Edwin Coffie at Glades Central and Floyd Henry at Pahokee High School.

Coffie a Student Council Officer, also is a

member of the Glades Central Chorus and can be found demonstrating his musical talents on many local church programs.

Henry, the team captain of the Pahokee High School basketball team, also is a member of the chorus. He sings with the PHS Chorus, directed by Kevin Boynton.

Many greek, social and community organizations were present at the program.

Members of Alpha Phi Omega are James Allen, Jr., Frederick Bass, Willey Joe Battle, Renard Bennett, Kevin Boynton, Cleveland Byrd, George Clark Crittenden, Milton Crittenden, Ollie Davis, Jr., James Eccles, Gary Fletcher, Willie Lewis Floyd, George Hannah, John Henry Holman, Anthony Jones, David Martin, Ronald McMillan, Henry Miller, John Morris, Willie Pyfrom, Antoine Russell, Johnny Rutledge, Willard Taylor, Jr., and James West.

A fashionable way to fight cancer

SANTA MADE A VISIT...What would the American Cancer Society Fashion Luncheon be without Santa Claus. Luke

Weeks, Deena Lee and Deena Stokes were ready for Santa, dressed in red and white nightwear from KIM AND TIM.

By ALMA HENRY

In the holiday spirit of love and giving, more than 300 well-wishers attended the American Cancer Society Fashion Luncheon held at the Belle Glade Elks Club Saturday.

The large attendance helped the Glades Area Cancer Crusade Committee reach its pledged financial goal.

Mrs. Nataleah Nachman, luncheon chairman, said although figures are not in for the amount of money raised by the luncheon, two anonymous \$1,000 donations were received.

The fashion show featured what to wear to Christmas parties, what to wear to church services, how to be the sharpest dressed golfer at the Belle Glade Country Club, and how to dress snugly for Santa.

The show, emceed by Laura Hayes, featured local models Luke Weeks, John Wright, Vickie Wright, Sharon Wedgeworth, Dolly Hand, Bar-

bara Kight, Martha Lynn Weeks, Chris Kirchman, Yvette Garcia, Deirdre Orduna, Stella Turner, Pat Angel, Eva Sue Kidder, Deena Lee, Deena Stokes, Rose McGahee, Paige Poole, Lisa Howard, Louise Herring, Kim Barton, June Boglioli, Nizidia Garcia, Patricia Rogers, Terri Gressinger, Pam Miller, and Sherri Davis.

All the holiday glitter and gold fashions were provided by The Pro Shop, Kim and Tim, Town and Country, Barbara's, The Haze, The Apple Green, Sweet'n Sassy, and Lady Athena.

Among the many special guests in attendance at the luncheon were Mrs. Sandra Chamblee, chairman of the Palm Beach County Cancer Society; Mrs. Kay Mansolia, chairman of the Crusade Committee for Palm Beach County; and Tom Altman, chairman of the Crusade Committee Glades Area.

"THE LAW, LOVE AND MR. JONES"

This is the time of the year when we celebrate the coming of the Christ Child.
Christmas is the day set aside for the birth of Jesus Christ, who was and is God's answer to the sin and weakness of mankind. It is God's reminder that He is with us and for us.

Let's look at the background.
Before the coming of Christ, most men obeyed their own desires and the law of nations when they were forced to do so. The first great religious law was the Ten Commandments.

Under the impulse and direction of this God given law the Jewish people had the highest ethical standard of all the nations on earth.
Although the Jews had this high standard and moral code they frequently became as bad as other nations. When prosperity came to Israel the moral actions of the people usually went down.

For 1400 years more or less the Israelites moved up and down the moral stairway of God's Commandments. They followed other gods, oppressed one another, and disobeyed moral commands under the impulse of their own desires and were over-run by other countries.

Prophet after prophet came to direct them back to the true God of yore. Sometime there was change. If they came back it was only until things prospered and off they went after the illusion of pleasure and immoral lusts.

The Law of Moses was good and practical but the incentive was lacking and the motivation was weak. Although God promised that He would be with them if they followed His commands they would disobey.

God told them they didn't learn their lesson. God told them and warned them and reminded them. However, are we not much the same? We want to follow the call of our own pleasure because we feel we deserve relaxation and recreation.

God saw that it wouldn't work. He knew that the Law wouldn't restrain or motivate men to do right. God put into operation phase two of His plan of salvation.

Phase two was God's invasion of the world. He brought into play the full impact of love. This was manifest in the Christ Child who became Jesus the Christ. He became the living, walking, loving revelation of God and therefore of His love.

The Law of God was and is necessary. Man cannot live without guide lines, but he needs more than the knowledge of right and wrong. God gave love.

During the Advent Season we are reminded of God with us. As we sing "O Come, O Come, Emmanuel" we are calling for God to be with us in a real way.

The Christmas decorations and symbols are reminders that God answered the wrong and sin of the world with love - Jesus Christ.

Let us prepare ourselves and our families anew for the coming of the Christ Child. Let us prepare room for Him in our hearts, our lives, and our homes.

It is His love - Christ's love - which raises us above the level of animals and pagans. It is His love which draws families together. It is His love which gives us hope for peace among men.

Glades Central plans Christmas concert

BELLE GLADE - Glades Central Community School Music Department presents "A Holiday Concert," under the direction of Willie Pyfrom, band director and Reginald Asberry, Choral director.

The groups that will be performing are the concert band, stage band, advance chorus, Solid Gold, intermediate and beginners chorus.

The concert will be held Wednesday, Dec. 16th at 8 p.m., in the gym. Donation to the concert is \$2 per person.

Tickets can be purchased from any band or chorus student.

Youth may make ornaments at library

4-H HOLIDAY WORKSHOP - All youth 8-13 can make ornaments and decorations Dec. 23 at the Belle Glade Municipal Library from 10 a.m. to noon, or at the Loula V. York Memorial Library, Pahokee, 1:30-3:30 p.m. The fee is \$2. Call 996-1655 to register or for more information. The deadline is Dec. 18.

Opening services Friday evening for Calvary Tabernacle

BELLE GLADE-Opening services for Calvary Tabernacle, a new church in the community, will be held Friday, Dec. 11, at 8 p.m., at the Everglades Presbyterian Church, located at 1040 N. Main St.

The Rev. Charles R. Free, pastor of Calvary Tabernacle said everyone is invited to attend the opening service.

Rev. Free, formerly the Associate Pastor and music director at Christian Tabernacle in Houston, Tx., said the church teachings will have special emphasis on the family, prophecy and world events.

Rev. Free said the church will also be offering a free home Bible-Study course. The course consists of 12 lessons from Genesis to Revelation. Persons taking the course will gain a working knowledge of the scriptures.

Rev. Free said persons interested in the taking the course are not obligated to be members of Calvary Tabernacle.

He also said all religious affiliations and denominations are invited to Friday's opening services.

Rev. Free said Calvary Tabernacle will also offer special religious music. Rev. Free recently recorded an album and local listeners of the religious program at WSWN may have heard Rev. Free's renditions of "World Without Rain" and "Bigger Than Any Mountain."

Rev. Free said he hopes Calvary Tabernacle becomes known as the "friendliest church in town."

Rev. Free is married to the former Debbie Mace, the daughter of Mr. and Mrs. Robert L. Mace, of Belle Glade.

Glades to host barbecue

BELLE GLADE - The Tri-Cities League will once again play host to the Palm Beach County Municipal League's Barbecue Friday, December 18.

The 12th annual barbecue will begin at the Belle Glade Marina Pavilion on Torrey Island at noon and continue throughout the day.

About 300 guests from Palm

Beach County cities are expected to attend the event which will feature free boat cruises on Lake Okeechobee, free green fees at the golf course and camping at the marina.

Barbecued ribs and catfish with the trimmings will be served to the visiting city government members. Invitations have been sent to all

Palm Beach County city governments, the county legislative delegation, United States Congressmen and Florida's United States Senators.

"We really get a lot of goodwill out of it for what it costs us," said City Clerk June H. Boglioli.

The Marina Pavilion will also be dedicated during the day.

The Tri-Cities League which sponsors the barbecue every year is composed of Belle Glade, Pahokee and South Bay. The cities share in the cost of the event.

Other events held by the Municipal League throughout the year are sponsored by other municipalities belonging to the county-wide league.

Investors must act quickly to take full advantage of new tax law

BELLE GLADE - Investors must act before the end of the year to take full advantage of the Economic Recovery Tax Act of 1981, although the major tax and investment incentives will not take effect until January 1, 1982, according to Thomas L. Altman, manager of E.F. Hutton's Belle Glade office.

"For the remainder of the year, losses, deductions and interest expenses are especially important for taxpayers, and realizing losses this year when tax rates are higher will save more money than after January 1," Altman explained.

Altman suggested several specific investment areas affected by the law that investors should focus on immediately:

- Since the new law means that taxes will be lower in 1982, investors will save taxes in the 1981 tax year by taking deductions before the end of this year.

- Tax swapping, a method of trading an existing holding for another with similar features to offset gains or income for tax purposes,

will save more taxes now than after January 1.

- Since tax rates will decrease beginning in 1982, individuals will save taxes by deferring income into the future. When purchasing stocks and bonds, look for those that make their first dividend or interest payment in 1982; also consider discounted securities that mature next

year such as corporate and municipal bonds.

- Look for investment programs that provide deductions in the early years of the program and defer gains and income to later years when the rate eventually will be 23 percent lower.

- Weigh the possibility of annuities, an investment that defers income into the future. Tax is paid only on money withdrawn from the annuity which exceeds the initial investment, and those withdrawals will typically take place when the individual falls into a lower tax bracket.

- Review estate plans soon to assure full advantage is taken of the changes in the law. Under 1981 provisions individuals can leave only half of their estate tax-free to their spouse. The new law allows the passing of all of it.

"By acting now, investors can still profit by the immediate opportunities offered by the largest tax cut in American history," Altman emphasized.

A detailed brochure explaining the new tax law may be obtained from Hutton's Belle Glade office by calling 996-0404.

Card of thanks

East Lake Middle School Principal Mr. Ernest C. Thompson Jr. and Red Cross Sponsor Morton C. Thomas, would like to extend their appreciation to all students and teachers for a successful annual East Lake Thanksgiving drive.

The Red Cross Youth members take pleasure in sharing in the giving of Thanksgiving baskets to the senior citizens in our community.

Hatton-Anderson plans are announced

PAHOKEE-Final wedding plans have been announced for the approaching marriage of Miss Lisa Dianne Hatton and Russell Mark Anderson.

the bride-elect is the daughter of Dr. and Mrs. R.L. Hatton of Pahokee. The groom-elect is the son of Mr. and Mrs. Russell Otto Anderson of Palm Beach.

The couple will exchange wedding vows on Saturday, Dec. 12 at 8 p.m. at the First United Methodist Church of Pahokee with the Rev. Daniel Coleman officiating.

A reception will be held at the home of the bride's parents immediately following the wedding ceremony. No local invitations are being sent. All friends and relatives of the couple are invited to attend both the wedding and the reception.

Tax planning

Now is the time to begin planning a year-end tax strategy. Tax experts advise getting an early start this year because of significant changes in federal tax laws brought about by the Economic Recovery Tax Act of 1981.

Although the new tax package is expected to benefit the majority of taxpayers at one time or another over the next few years, taxpayers with discretionary income or savings will probably have more opportunities to take advantage of the changes. For example, taxpayers possessing some form of income other than salary may wish to look into the feasibility of deferring or shifting some of that income to 1982 or even to subsequent years when the lower tax rates will take effect. Others may find it to their advantage to accelerate some of their deductions or losses into 1981 to take advantage of the higher tax rates this year. And, taxpayers with substantial savings may wish to invest in new tax-exempt offerings such as All-Savers Certificates.

Whether you have a professional do your taxes or plan to do the work yourself, you should use the month of December to review your finances and make policy decisions about how to handle income and investments to ensure you gain the most from the new tax laws.

Floridians can direct any questions about federal tax matters to the Internal Revenue Service (IRS) Office in Jacksonville by calling toll-free (1-800-342-3860) and request a copy of IRS Publication 17, entitled "Your Individual Income Tax Return." Among other things, this pamphlet explains the 1981 changes in the law in layman's terms.

The meat outlet specializes in fresh cut, frozen beef, pork and poultry products.

The new store is managed by Susan Addison, who is assisted by Diane Stevens.

According to Addison, the Pahokee store is the sixth in a chain which includes stores in Fort Myers, Fort Pierce and Belle Glade.

Those who have never shopped at a Wes Pak are given a tour of the meat lockers and told how to place their orders. It is less expensive to purchase bulk orders, according to Addison.

Aside from the regular cuts of meat, the store also sells duck, hen, shrimp, Florida and Maine lobster, frog legs, Alaskan crab legs, and stone crab claws.

The store is open 9 a.m. to 6 p.m. Monday through Saturday.

Re-districting has little impact here

By JEFF BROWN

BELLE GLADE - The Palm Beach County Commission is in the process of re-drawing district lines, but the re-apportionment should not affect the Glades area, according to Commissioner Bill Bailey's office.

The county reapportions its five districts every 10 years after a census reveals population patterns.

With approximately 1,000 square miles, the Glades district covers the largest area of the five county districts. However, its 37,000 population also makes it the smallest district demographically.

Ten years ago, the commission made an attempt to extend the district's borders east, as far as Military Trail in West Palm Beach. That attempt was thwarted, in

large part due to the efforts of Attorney John E. Baker, who pointed out the vast cultural and social differences between the Glades and the four coastal districts.

Baker's defense at the time rested on the word "practicable" in the Florida State Constitution.

According to Mike Saunders, administrative aid to Commissioner Bill Bailey, a redrawing of the district line to Military Trail could have almost doubled the population and created a situation where the Glades had no representatives on the commission.

"What if someone from the Military Trail area decided they wanted to run?" Saunders asked. "They could win and what interest do they have in the Glades?"

GULFSTREAM GOODWILL INDUSTRIES opened up its Belle Glade store Thursday, Dec. 3, at noon. Executive Meredith L. Kinna, left, shakes hands with Belle Glade Vice-Mayor Claude Tindall during the ribbon cutting ceremonies.

Last Glades team left in football playoffs...

Clewiston claims sectional crown

Dunnellon is playoff grid foe

Over the past five years, Clewiston and Dunnellon have been two of the most successful Class AA football teams in the state.

They meet for the first time ever Friday, Dec. 11, in a semi-final football contest at Dunnellon.

Clewiston brings an 11-1 record into the game, while Dunnellon is 9-3.

Dunnellon won back-to-back state championships in 1978 and 1979 for Coach Richard Kennedy, but were eliminated from the playoffs last year by Clermont.

Clewiston has won three district championships, two regional championships, a sectional championship and competed in two post-season bowls under Coach Al Morrell during the same period.

Friday at 8 p.m. the two teams clash for the right to meet the winner of the Jacksonville Bolles - Wakulla Crawfordville game a week later in the Class AA championship of Florida. It's a game that will be played in Clewiston if the CHS Tigers can beat Dunnellon Friday.

Kennedy says his young team (only five seniors see much playing time) relies on a 4-4 defense and the wishbone offense. The Dunnellon Tigers have no super stars, he says.

"We are not the type of ball team to put many points on the scoreboard," he says. "They (Clewiston) throw more than we do."

Though five hard hours of driving separate Clewiston and Dunnellon, Kennedy shows more than a nodding acquaintance with the Tigers from the cane lands of the south.

"We think they have a fine football team. They have a lot of speed and are well versed in the run and the pass. They have an excellent kicking game," Richardson said.

Clewiston Coach Al Morrell has a pretty good idea of what Dunnellon is all about as well.

"We are expecting a more aggressive, more physical ballgame. Though they lineup in the wishbone, but they run mostly power," Morrell says.

In the backfield, Dunnellon has 6-0, 200 pound tailback Jerry Young and 5-10, 195 pound fullback Fred Williams along with a very quick 5-8, 150 pound running back, James Blanchard.

"They have a big, fast backfield, the best that we've faced all year," says Morrell.

COACH AL MORRELL...

Registered the full gamut of emotion Friday, from fiery intensity...

To close scrutiny...

And finally to jubilation as Clewiston's first football sectional championship seemed finally in the bag.

Tigers trounce

Pine Crest, 28-14

By JIM JONES

Fort Lauderdale Pine Crest's running backs were more punished than punishing, Friday, Dec. 4, but it was the lack of an effective passing game which most hurt the number-one ranked Panthers.

Hearts broke in Fort Lauderdale as Melvin Williams, 5 foot 10, 160 pound Clewiston speed merchant, intercepted four Pine Crest passes Friday to destroy Panther hopes for a state championship.

Clewiston's 28-14 win earned the Tigers a Section 4 championship and the right to face Dunnellon Friday, Dec. 11, in a semi-final football contest.

"When they went to the air we hurt them," Clewiston Coach Al Morrell said. "Melvin had a super ball game. He just made one big play after another."

Despite Ft. Lauderdale's impressive credentials entering the game (Number one ranked Class AA team and undefeated in 11 games), Morrell said that Pine Crest was not the best ball team Clewiston had faced this year. Clewiston beat Pahokee by one point during the regular season and lost 7-0 in overtime to Fort Myers this year.

Morrell said that while he didn't think Clewiston had peaked as a football team, he thought the Tigers had enjoyed one of their better ballgames against the Panthers.

"The best team won. I hope they go all the way," said Pine Crest Coach Bill Munsey. "Morrell did a great job of coaching."

Munsey, coach of the private Ft. Lauderdale school for the past 29 years, pulled on his pipe, and said, "I'll tell you, they are going to be tough. They are going to go a long way."

Munsey was wistful as he recalled that his Panthers have never advanced past the regionals, having now been beaten by Clewiston twice and Pahokee twice.

"You just don't realize how fast they are until you come over here," Munsey mused. "We never got off the bus. Nobody seemed like they wanted to tackle. We weren't ready to play."

Clewiston proved its readiness to play on the first series of the game, marching 65 yards for a touchdown.

Melvin Williams returned the opening kickoff to the Clewiston 35

yard line. On first down, fullback Sammy White broke loose to the Pine Crest 49, a gain of 16 yards. In three plays, Clewiston punched down to the 38 yard line. Morrell showed his confidence in his running game by running on fourth down. Gerald Johnson responded by gaining five yards to the 35.

Clewiston chipped its way further down field on the next three downs, but still came up with a fourth and eight situation. Morrell had quarterback Pete Walker hand off to Melvin Williams and the senior receiver darted 32 yards to the Pine Crest three. Two plays later, Sammy White punched in from the one yard line. Walker kicked his first of four PATs and the Tigers led 7-0. Clewiston would score seven points in each quarter.

"Morrell did a great job of coaching. The best team won. I hope they go all the way."

Coach Bill Munsey
Pine Crest

Pine Crest took the ensuing kickoff and drove down to the Tiger 28 yard line before fumbling to 270 pound Clewiston defensive tackle Randy Dixon with 3:11 left in the first quarter.

Putting together a 10-play drive which took them into the second quarter, Clewiston moved smartly down the field following the fumble recovery, but was unable to score, despite a 36 yard pass from Walker to Willie Benson. Pine Crest found itself in poor field position, however, following Sammy White's punt which rolled to the eight yard line.

Pine Crest showed a flash of power by moving the ball down field to the Clewiston 48 yard line, but a first down pass ended up in Melvin Williams' arms at the Tiger 15 yard line.

Clewiston promptly mustered an

Glades Central girls off to good start

BELLE GLADE - The Glades Central Girls Basketball team are off to a good start having won their first two games of the 1981-82 season. The Raiders, Class 3A State champs runners-up for the past two years are led by seniors Diane Bussie, Davena Johnson, and Shirley Wilson.

Coach Mike Logsdon, entering his second year as head basketball coach for the Raiders said his team is awful young this year but expects to do well.

Last year coach Logsdon's team consisted of All-State starters Joy Burroughs, Mary West and Jessie Hansford. All three graduated and only Diane Bussie and Gloria Stewart saw much action with the trio last year.

In the opening game against Martin County last week, the Raiders defeated the Tigers 56 to 44.

Diane and Denise Bussie combined for 29 points and Gloria Stewart added 10 to lead the Raiders in scoring.

Veronica Parks led Martin County with 11 points and 12 rebounds.

Going into Monday's game played at Glades Central, Diane Bussie was the leading scorer and rebounder for the Raiders.

Scoring the first points in the game against Suncoast, the Raiders defeated the Chargers 74 to 29.

The Raiders jumped out to a 24-2 first quarter lead and easily manhandled the Chargers the rest

of the game.

Coach Logsdon had four Raiders in double figures with Diane Bussie leading the scoring with 19 points. Gloria Stewart hit the net with 17 points and Sharon Roberts and Denise Bussie had 13 and 11, respectively. Pat Thomas led Suncoast with 16 points.

Also scoring for the Raiders were Annette Miller with 2, Karen Gooden with 2, Dawn Byrd added 4 points, Carstina Kyles dumped in 4 and Sabrina Barnes and Cassandra Strachan added two a piece.

Starting in the line-up for the Raiders, Sharon Roberts, a transfer from Tampa, is playing guard for Coach Logsdon and presently is one of the team's leading scorers along with Diane Bussie and Stewart.

Playing for the Raiders this year are team members: Davena Johnson, Cassandra Strachan, Annette Miller, Diane Bussie, Gloria Stewart, Karen Gooden, Denise Bussie, Dawn Byrd, Carstina Kyles, Sabrina Barnes, Shirley Wilson, and Sharon Roberts.

The Raiders went 27-2 during the 1980-81 season. Although the Raiders are awful young, according to Coach Logsdon, Raiders' fans can look for another good Raiders Girl's Basketball team this year.

The Raiders games are played on Monday nights beginning at 7 p.m.

Dunnellon—

[Continued from Page 1]

On the line they have 6-2, 235 pound tackle Michael Kelly, and at tight end/safety is 6-0, 170 pound John Robinson, described by Morrell as a "super athlete."

As for Clewiston, a team which some figured would barely break

even this year, has rebuilt in a hurry and come an astonishing distance. Morrell believes the best may still lie ahead. The Clewiston Tigers seem to still be peaking and that could mean big trouble for playoff opponents.

BELLE GLADE—The Winter Softball League originally scheduled to start Dec. 1 has been rescheduled for January 11, according to Recreation Coordinator Mike Underwood.

The league's start was delayed because too few teams showed interest, according to Underwood.

Teams have until Jan. 4 to sign up. More information can be obtained from Underwood at 996-0100, ext. 243.

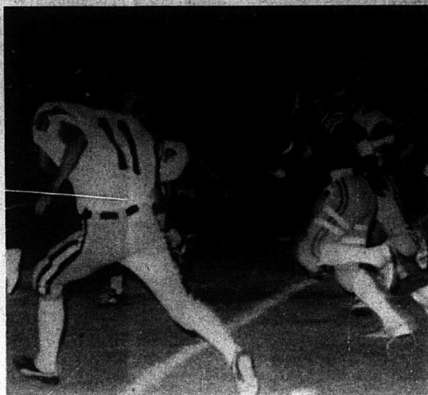

He said only three teams have signed up to date, and that a total of six is necessary to schedule the league.

Racquetball tourney set

A racquetball tournament will be sponsored by the department during the week of January 18, according to Underwood.

The tournament will feature night games between single teams and double teams. Interested persons should contact Underwood.

Softball season, racquetball tournament planned.

MELVIN WILLIAMS (20) was a coach's delight Friday night, intercepting four passes. On this play, he ran 32 yards to the Pine Crest 32 yard line to set up Clewiston's first touchdown of the night.

Clewiston claims title—

[Continued from Page 1]

offensive drive taking it the length of the field and ending in a 35-yard touchdown pass from Williams to Willie Benson with 2:43 left in the half.

Clewiston threatened once more with Hal White's 26 yard run to the Panther 19 yard line with six seconds left.

Williams grabbed his second interception midway through the third quarter and returned the ball to the Pine Crest 21. Two plays later, Hal White ran nine yards for the score.

Following the kickoff, Pine Crest desperately went to the pass, only to have Williams grab his third interception and return it to the Pine Crest 20, where he was tackled by 232 pound fullback Eddie Saar.

Clewiston seemed headed for another score, but after gaining a first down at the Pine Crest five could not punch the ball across the goal.

In three plays, Pine Crest moved out to its 11 yard line and put the ball into the air again. Willie Benson intercepted the pass and ran it into the end zone, but the score was nullified by a blocking below the waist penalty.

Pine Crest denied the Tigers a touchdown, however, and on fourth down, a Pete Walker field goal was wide of the mark.

Seemingly buoyed by its newfound defensive strength, Pine Crest chucked off the flea flicker play and scored its first touchdown on a 47 yard pass from quarterback R. C. Powell to running back Kip Farris with 6:30 left in the game.

Facing a 21-7 score, Pine Crest's first team allstate kicker, Henry Riggs-Miller, attempted an on-side kick. Clewiston tackle Wyclyffe Lovelace grabbed the ball and ran like a halfback to the Pine Crest 43.

The Tigers moved the ball down to the Pine Crest 21 before fumbling with 3:38 left in the game.

Three Pine Crest plays later, Williams had intercepted his fourth pass of the evening and returned the ball to the Ft. Lauderdale 20.

On first down, Gerald Johnson ran the ball 19 yards to the one, setting up Hal White's one-yard touchdown plunge with 2:23 left in the game.

Facing a sure loss, Pine Crest scored once more with 17 seconds left in the game on Saar's one yard run.

"That was more passes than we've thrown in 11 games. They intercepted more than we threw all year," Coach Munsey said.

"Our defensive tackles played their best ball game of the year," Morrell said of Keith Thomas and Randy Dixon. "They took away the fullback dive. They were punishing Number 39 (Saar)."

Sammy White, playing with an upraised knee, turned in one of his best performances of the year at nose guard. "We kind of expected that kind of a ballgame from Sammy," Morrell said.

Another hard hitter, linebacker Ralph Brockington, led Clewiston with seven tackles. Leading tacklers included John Reid and Sammy White with five tackles each, and Marvin Dixon with four.

Gerald Johnson led Clewiston backs in rushing with 64 yards in 14 attempts. Hal White had 52 yards in eight rushes, Sammy White 44 yards in seven rushes, and Ricardo Finkley 41 yards in 13 rushes.

Pete Walker completed three of seven passes for 43 yards. Robert Holmes returned to action at quarterback and completed one of two passes late in the game.

Clewiston emerged from the game healthy, aside from Sammy White's sprained knee. White was expected to be running again by Wednesday.

Christian Day drops opener to Pahokee

By JEFF BROWN

The Christian Day Crusaders traveled to Pahokee last Tuesday and dropped their opener 77-52.

"Turnovers were the major problem I saw," said Crusader Coach Woody Salvatore. The Crusaders turned the ball over 24 times. The shooting game could also be improved, according to Salvatore. The team shot 32 per cent from the floor and 31 per cent from the free throw line. Alex Morales led the team with 21 points.

The leading rebounders were Luis Garcia and Roly Ramos, each with seven, but the Crusaders' best performance was turned in by Tavi Garcia who picked up six rebounds and eight assists. The Crusaders were behind 36-22 at the half.

"We were outscored the first and second quarters," said Salvatore, adding the second half was a bit more closely played.

Christian Day is a 1A team and Pahokee is a 2A team.

The two will clash again December 23. The Crusaders played Jupiter Tuesday, Dec. 8, and play Moore Haven Friday, Dec. 11. The Moore Haven game is played away and starts at 8 p.m.

Status report heard on hunter survey

TALLAHASSEE — Some 8,000 hunters will be selected to participate in a survey to primarily solicit opinions on the state's deer management program.

The five-member Game and Fresh Water Fish Commission received a status report on preparations for the statewide survey during a meeting today (December 4) in Orange Park.

Staff members from the Commission's Division of Wildlife said the survey, in the form of a comprehensive questionnaire, will be mailed in January. The recipients are hunters who purchased hunting licenses in the state this year.

The survey will also include questions regarding hunter attitudes on the deer management program, what they would like to see changed, their opinion on seasons and other regulations and what they see as future threats to hunting in general.

In other business, the Commissioners discussed items to be included during statewide public meetings to be scheduled throughout Florida between January and February. The meetings are held annually to receive input from citizens regarding management of wildlife and freshwater fish resources in the state.

In addition the Commissioners received a report from the Division of Fisheries concerning a request from the Putnam County Commission to prohibit sport fishing in select areas of the St. Johns River during bass spawning season.

The Division of Fisheries reported that although no biological justification for the establishment of these areas has been documented, the refuge concept is extremely popular with the public.

The Division recommended that two historical refuge areas in Lake George be closed to sport fishing during February and March of 1982. The Commission will consider an order at the January meeting to accomplish this closure.

Commissioners additionally accepted a proposal from the Division of Fisheries that a public meeting be held to discuss low water conditions on Lake James in Leon County. Other reports received by the Commission included a status of the special and nine-day hunts held this year. The Division of Wildlife stated it processed 68,169 applications for the regular nine-day and special hunts this year, compared to 65,630 last year.

The Commission has set its next meeting January 8 in Tampa.

Florida flip maps available

If innovation, as it is said, makes the world go round, the new Florida "flip" map will keep this old world spinning for a while longer. Here is a road map that requires no unfolding or refolding and is so easy to use, you can find any part of the state in the blink of an eye. This cost pocket size map of Florida comes in a sturdy cover and includes 11 major city and area maps plus a city index and an exclusive perimeter mileage calculator anyone can use.

The publisher contends that if you now have to pay for your road maps, you might as well get one that works. It is available for \$2.99 from Florida "Flip" Maps, 4332 River Ridge, Lansing, MI 48977.

Holiday gifts from the supermarket

Look to your local supermarket as a great source for inexpensive holiday ideas. There you'll find the makings for some imaginative yet practical food gifts to please almost everyone on your shopping list.

Fix a "Winter Picnic For Two" for a favorite couple to share by the fire. Start with a picnic basket decorated with ribbons and holiday ornaments. Fill it with a bottle of wine, loaf of bread, and an assortment of cheeses. If you like, finish it off by adding accessories like a corkscrew and wine glasses.

For the host or hostess, pack a crock with homemade Cheddar Spread and

bring it to the party on a wooden board with a selection of store-bought spreads, a basket of crackers, and spreaders. Neighbors would also welcome a similar cheese snack present.

Team these ideas with your own ingenuity and kitchen creativity and you'll have some of the best gifts of all — those from the heart.

Cheesy Cheddar Spread

- 2 c. (8 oz.) shredded sharp natural cheddar cheese
- 1/4 c. beer
- 2 1/2 cups margarine
- 1/2 tsp. Kraft pure prepared mustard
- Dash of cayenne

- 1 T. chopped chives
 - 2 T. chopped pimiento
- Combine cheese, beer, margarine, mustard and cayenne, mixing until well blended.

Unique tips on selecting clothes for that special man in your life

Gifts you will give the men in your life this year will take two definite fashion directions. The clothes that he will wear for business reflect the no-nonsense attitudes of today, and they are definitely conservative and businesslike. Design, color and performance are the main thrust for sports and leisure wear.

Of course, there are varying degrees of sobriety in fashion, just as there are limits to which certain men may go in their choice of casual clothes.

It is for you to judge the mores of each of the men on your shopping list and to gauge their tastes, whether they be strictly Traditional or, perhaps, Avant Garde. Most men fall somewhere between the extremes.

The big middle-of-the-road man, the American man often leans to the Traditional or perhaps prefers a touch of high fashion.

Currently you will be able to find fashionable wearables in all of the above categories — a fact that will make your selections easier to decide upon.

Use as important as the gift itself is the thought that goes into selecting it. Certainly, a shirt or a tie, or several slacks and ties, makes a thoughtful Christmas gift. However, there are many more exciting gift ideas if he opens the package and finds a perfectly coordinated shirt, tie and sock set.

If you have decided on giving a tie, why not combine it with a pair of slippers — and to be really elegant — a silk scarf? — a gift that will be an excellent way not only to brighten his Christmas morning, but also to see him through the cold winter days ahead.

When shopping for outerwear, keep in mind there are a suit, sport coat or overcoat. These matters require try-ons and exact fittings.

However, you can solve that problem by giving him a gift certificate, and let him have the fun of selecting the model, color and pattern that he likes best.

Here are some hints that may be of help when he makes his selection. As noted, business suits are very businesslike and among the "in" patterns are stripes, solid colors and some modern glen plaids. Herringbones are a perennial favorite.

Sport coats are the best-looking ever, and here one finds beautiful mixtures in shades, soft plaids and checks. Blazers in bright shades as well as in the deeper hues are still among the most

popular sport coats. Slacks come in all shades to complement, and ment these sport coats and in patterns, too, to wear with slacks.

Camel hair, wools, cashmere and tweeds as well as dressy materials are used in the smartest overcoats, and the colors range from the light tan of the camel to some stygian blacks and blacks in the dressier coats. If you want him to be really dapper, suggest that he select an overcoat with a velvet collar.

Leather goods have a special appeal for most men, and you can make it a special gift by giving him a color-coordinated set of shoes, belt and wallet. Or, perhaps a set of casual and dress belts to complement his business and weekend wardrobes.

And, speaking of super leather gifts, how about a luxurious shearing coat or — for an all-time topper — a real fur coat? Many men are wearing furs, and they are top in fashion.

How To Lighten Holiday Foods

Start with a bowl of relishes—the greater the variety, the better. Skip the dip.

Make the cream sauce for onions with half as much fat and with skim milk instead of whole. Thicken with corn starch.

Serve baked sweet potatoes, rather than candied sweets, or skip the marshmallows.

To cut calories in the gravy, pour off the turkey drippings, leaving the brown particles. Add corn starch, using half as much butter as you would. Gradually stir in fat-free broth. Stirring constantly, bring to boil.

Serve fruit, lightly glazed, for dessert. For the glass, stir together in a separate tablespoon corn starch and a pinch of ginger. Gradually stir in 2 cups orange juice. Stirring constantly, bring to boil and boil 1 minute. Pour over a mixture of fruit, top and chill.

CREDIT PROBLEMS?

If your loan application to purchase a new or used car was turned down by the Bank or other lending institution, then the Shewarts may have good news for you. For a limited time, we have over \$200 million dollars available for auto loans. Credit requirements are more liberal than you may probably experienced. Terms are longer, and no down payment is necessary. Interest is well below PRIME LENDING RATES CHARGED BY MOST BANKS.

Call now and drive home today in a new Pontiac, Toyota, Mazda, Ford, or Peugeot. Call for an appointment or come in. Ask for Mr. Foster, Special Fund Finance Manager.
